## EXPERIENCE

### Character Designer | Floyd County Productions

february 2023 - november 2023

- Designed characters and props for FXX's Archer
- Iterated on a single concept with the guidance of script and art direction notes
- Created turnarounds for characters while adhering to art direction and network guidelines
- Collaborated actively with team members on linked designs to deliver a cohesive vision

### 2D Environment Concept Artist | Waking Oni Games

january 2022 - november 2023

- Spearheaded concept art for game environments guided by briefs from Narrative and Art Direction
- Participated in interdepartmental meetings to establish art department pipeline and procedures
- Illustrated key art to be used on promotional materials

### Senior Illustrator | Floyd County Productions

january 2021 - february 2023

- Created advanced vector puppet assets for characters and props on FXX's Archer
- Trained and mentored new team members in order to uphold the established show style
- Reviewed other illustrator's work and offered detailed notes and feedback

### Illustrator | Floyd County Productions

august 2019 - january 2021

- Created vector puppet assets for FXX's Archer

### Graphic Design Intern | Morrison Healthcare

january 2019 - august 2019

- Generated marketing materials and promotions for hospital cafés
- Created print and identity designs that were used in hospitals nationwide
- Created print menu layouts to be used for accessible and specialized meals
- Generated branding materials and nametags for a national healthcare conference

### Graphic Designer | SecureTech Alarms

february 2018 - january 2019

- Established visual identity including logos, promotions, and digital marketing for home security
- Created ad content including flyers, posters, and decal
